### **Demonstration of Compliance with Applicable Service Quality Standards and Consumer Protection Rules**

TeleGuam Holdings LLC (“Company”) certifies that it adheres to the eleven points within the CTIA Consumer Code, including disclosing rates, additional taxes, fees, surcharges and terms of service; providing coverage maps; making customer service readily accessible; and allowing a trial period for new service.

**1. COMPANY DISCLOSES RATES AND TERMS OF SERVICE TO CONSUMERS**

For each service plan offered to new consumers, Company discloses to consumers at point of sale and on its web sites, at least the following information, as applicable: (a) the coverage area for the service; (b) any activation or initiation fee; (c) the monthly access fee or base charge; (d) the amount and nature of any voice, messaging, or data allowances included in the plan (such as night and weekend minutes); (e) the charges for domestic usage in excess of any included allowances or outside of the coverage area; (f) for prepaid service plans, the period of time during which any balance is available for use; (g) whether there are prohibitions on data service usage and whether there are network management practices that will have a material impact on the customer's wireless data experience; (h) whether any additional taxes, fees or surcharges apply; (i) the amount or range of any such fees or surcharges that are collected and retained by the carrier; (j) the amount or nature of any late payment fee; (k) whether a fixed-term contract is required and its duration; (l) the amount and nature of any early termination fee that may apply; and (m) the trial period during which a consumer may cancel service without any early termination fee, as long as the consumer complies with any applicable return policy.

**2. COMPANY MAKES AVAILABLE MAPS SHOWING WHERE SERVICE IS GENERALLY AVAILABLE**

Company makes available at point of sale and on its web sites maps depicting approximate domestic coverage applicable to each of their service plans currently offered to consumers. To enable consumers to make comparisons among carriers, Company generated this map using generally accepted methodologies and standards to depict outdoor coverage. All such maps will contain or link to an appropriate legend concerning limitations and/or variations in wireless coverage and map usage, including any geographic limitations on the availability of any services included in the plan. Company periodically updates such maps as necessary to keep them reasonably current.
